Objective:

Passionate and detail-oriented UI/UX designer with a strong portfolio and a commitment to creating visually appealing user interfaces. Seeking an opportunity to collaborate with a dynamic team, apply my design skills, and gain valuable hands-on experience in the field.

Professional Experience:

Social Media Handler
The Namaste Furniture and Home Decoration

- Managed and maintained social media accounts on Facebook, Instagram, LinkedIn, and TikTok.
- Responsibly handled and responded to customer queries in a timely manner, ensuring customer satisfaction.
- Collaborated with the marketing team to implement social media strategies, resulting in increased engagement and brand awareness.
- Effectively handled client inquiries through email, providing accurate information and assistance.
- Assisted in designing eye-catching social media posts to boost engagement and promote the brand.

Education:

Bachelor – Currently Running
Sungava College
Khairahani -06, Parsa

Skills:

- Strong enthusiasm for UI/UX design with a compelling portfolio showcasing past work.
- Proficiency with industry-standard design tools such as Adobe XD, Sketch, and Figma.
- Self-motivated and capable of working independently to achieve project goals.
- Excellent communication skills and a keen eye for detail.

Training and Certifications:

- Completed 3-days UI UX Bootcamp training
